Join us on Saturday, October 13, to see where computer science and the University of Victoria can take you!

Discover

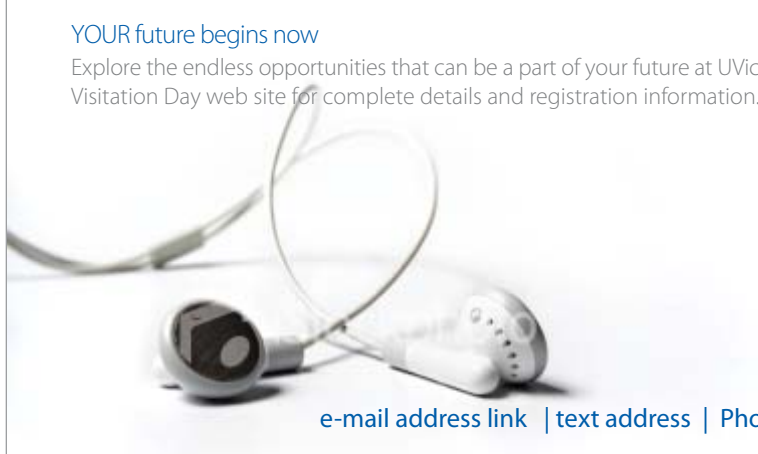

- our welcoming and diverse community
- our dedicated and inspiring faculty
- our spectacular west coast environment
- why computer science is increasingly becoming a major that opens many doors for students interested in a variety of careers—it's everywhere!

Don't miss this chance to visit with our faculty and staff and discover why we are the university of choice for outstanding students, faculty and staff who aspire to improve their world—and why you'll love being here, too!

YOUR future begins now

Explore the endless opportunities that can be a part of your future at UVic. Check out the Visitation Day web site for complete details and registration information.
